Fox Says Farewell

It has been my pleasure to serve as the Director of the Oklahoma Water Resources Center! Two years went by amazingly fast, and I am so proud of the accomplishments of the Water Center. I hope that my legacy is the true integration of research, extension, and education under the auspices of the Center's umbrella and that programs that integrate across the three land grant missions, such as the Student Water Conference, Water Week, and undergraduate research programs, continue for many years to come. I wish the Center the greatest of success and impact possible as it continues to move forward to address Oklahoma water issues. [\[Read the full article here.\]](#)
